

**19th Annual**  
**Van Metre 5 Mile Run**

**Children's National**  
*Medical Center*

Ashburn, Virginia - March 21, 2011 - Now in its 19th consecutive year, the annual Van Metre Companies' Five-Mile run to benefit Children's National Medical Center was a tremendous success again this year. The Van Metre 5 Mile Run for Children's Hospital has been a way to show that you really care. This year, Van Metre and our sponsors presented a check to Children's Hospital for \$65,000.

We invite all of metro Washington to join us again next year as we combine good health with a good cause at the 20th Annual Van Metre 5 Mile Run for Children's Hospital at the Broadlands Marketplace.

As one of Northern Virginia's largest privately held and locally owned homebuilding, development, commercial real estate and property management companies, Van Metre is committed to "Building Trust for Generations" in everything that we do, including helping our neighbors in the community through efforts like that annual Van Metre 5 Mile Run for Children's Hospital.
